## *From the Principal*

Tēnā koutou kātoa

A very warm welcome to our new students and families for 2018.

This year we welcome a number of new staff to the school. Kirsten Kean, HOD English; Soley Finnbogadottir, Social Sciences/English teacher; Chris Wilkie, HOD Art Terms 1 & 2; Sarah Faithfull, TIC Drama; Genevieve Grava, English. Kara Boys returns from maternity leave at the start of Term 3.

Congratulations goes to Cameron Davis who was recently appointed as Principal of Aparima College. We are sorry to lose Cameron, who has contributed so much to the life of CSC in recent years, however we wish him all the very best in his new role. Cameron takes up his new position at the start of Term 2.

Year 9 Camps are happening next week at Camp Columba. Thanks to those parents who have offered to help, we appreciate your support.

Nga mihi nui ki a koutou katoa - warm greetings to you all.

## Celebrating Student Success!

### Outstanding Success in Music!

Maggie Carrick and Caleb Keepin achieved exceptionally well in the recent Trinity College Music Exams. They both achieved top marks in Southland out of over 100 participants.

Maggie, pictured left, passed her violin exam with a score of 91% and with Distinction in Grade 3, but topped all entrants in Grades 3 and 4.

Caleb passed his guitar exam with 87% Distinction and received the best mark in the region for his grade. This also earned him the Trinity bronze award. This award is only handed out once a year to students who get the highest mark in grades 1-5.

### Across the Lake Swim

On Waitangi Day, Tuesday 6th February Jack Wallace (Yr 10) entered the "Across the Lake" swim which was held in Te Anau.

Jack was placed first in the Junior Under 16 age group with a time of 31 minutes across 1.9 kms.

This is an outstanding effort!

### Fuel for Schools Programme

If you receive fuel on-farm by bulk delivery, do you know you can help support CSC by contacting Southfuels on 0800 99 99 89 and naming CSC as the school you would like to donate to.

Our thanks goes to GL & K Barrie; Mrs D M Gill, Powell Farm Ltd and ME & CS Ashley who are currently giving support with this programme.

## Spectacular New Zealand Secondary Schools Championships!

The CSC athletics team ended 2017 in spectacular fashion. Six athletes travelled to Hastings over the first weekend in December to compete at the NZ Secondary Schools Track and Field Championships. This is a premier athletics event and one where our future NZ athletes are identified.

And that is what happened for our own Dylan Forde. Dylan had a clean sweep of the 800m heat, semi final and then final to become the NZ senior boys (Under 19) champion. This was the event of the meet for us. There was yelling, screaming and many tears shed by the whole Southland contingent watching Dylan win his final. The win opened many doors immediately for Dylan as he was invited into the NZ athletics team and taken into the elite coaching fold. A win like this does not happen easily. Dylan has done athletics for 7 years and has built his high level of fitness and skill alongside the resilience to keep coming back after injury and hard races. Dylan was awarded a sports scholarship to study and train at Lincoln University this year. Watch out for his name in the future.

All the team enjoyed success in their own events, with Adam Norman (pictured left) placed second in the Senior Boys Triple Jump and everyone else happy with their performances.

Southland Secondary School athletics is coming up in March. Only the top two placings qualify to go to the South Island Secondary schools event in Timaru. This is a change this year as there is no longer the Otago-Southland competition. So - get training!

TIC Athletics

## ATTENTION ALL CSC ATHLETES

We have a busy Athletics season ahead of us. This begins with the CSC Athletics Sports on Wednesday 28th February. The top three from each event will qualify for the Southland Sports to be held at Surrey Park Invercargill on Friday 16th March.

A major change to the Athletics Calendar this year is there is no Otago/Southland event. Instead, the top two placegetters from the Southland meet will qualify for the South Island Championships to be held one week later on 23rd - 25th March in Timaru. Due to the extremely short turnaround in these two events, the school will not be organising transport or accommodation for Timaru. Accommodation will be at a premium and we urge parents to make bookings early if you think your child will qualify for the South Island event. The school will take care of entries for this event.

# CAREERS CORNER

by Maree Buchanan & Raewyn Lowe

## Year 13

Careers staff have met with Year 13 students to give an outline of career events and opportunities that will happen over the year with the Careers Department. All students are being interviewed this term, and it is our role to help them as they plan for their next step, whether that be study or employment. We encourage every Year 13 to investigate a Plan A and Plan B for 2019.

## STAR

CSC receives funding which enables us to pay for students to attend tertiary type courses while they are still at secondary school. Some of the funding is used to run programmes on-site here, such as First Aid, Hospitality, and Travel and Tourism. We explained to Year 12 and Year 13 students this week that there is also funding available for some students to attend SIT one day a week for 10 weeks. Students were to register their interest with Careers this week if they wanted to be considered for this opportunity.

## First Aid

The year started early for 27 Year 13 students when they gave up the last day of their holidays to complete their First Aid Certificate. Their tutor was very impressed with our students, commenting on their manners, and the respect shown.

## Gateway

The Gateway programme also got underway with the First Aid course at the end of the holidays. Gateway students have been given an update of the individual Unit Standards they will be studying in class and for many of our Gateway students, we were even able to tell them where they would be working for one day a week during this year.

## NCEA Guide: Mobile App\*

This App has been designed to help parents and employers better understand NCEA, NZQA has developed this app designed for mobile devices - phones and tablets. Called NCEA Guide, the app is for parents, whānau and employers and provides quick and easy access to key information about NCEA.

The NCEA Guide includes key content about the structure of NCEA, how the qualification is used after studying, how credits work, and how endorsements are earned. Users can also choose to view the content in English or Te Reo. Importantly, parents and whānau can also get information about how they can support family members studying towards gaining their secondary school qualification.

For employers, content focuses on what they can expect to see when job candidates show them documents detailing their qualifications and what they have studied.

**The NCEA Guide App is free to download from the Apple App Store and Google Play Store**

# Things You Need to Know

## Office News

### Absences

Please send your absence emails to:  
[absences@csc.school.nz](mailto:absences@csc.school.nz)

### Students School Accounts

Accounts will be emailed/posted soon. You will notice there are some camps and trips; these do not need to be paid until your student is due to go. This gives you notice of what costs are for the year.

Year 10 Social Studies Western Southland Trip – each Year 10 Social Studies class goes on this day trip but on different dates, so it may be Term 1 or Term 4.

Year 13 PE trips, Year 12 PE Mountain biking Camp and Year 12 Biology Trip - you will be notified of dates by the teacher in charge.

Automatic payments and/or internet payments—put your child's name in Reference box.

**CSC Bank A/c No.— ASB 12-3154-0144836-00**

**Sports Subs** - these need to be paid before your student takes part. Paperwork will be sent home by the teacher in charge with all the details including cost. These will not be covered by an Automatic Payment unless all subject costs have been paid first.

### School Ball Students

All relevant school costs must be paid before the Ball, unless you have an automatic payment in place. This includes outstanding costs from 2017.

### Health 'Attitude' Presentation

For the past 10 years a presenter has come into the school to spend the day talking to each year level separately about young people making healthy choices in their lives. They are very informative and entertaining and are always positively received by the students.

### Student Data

To make sure we are sending mail, emails to the correct address, and your student's medical circumstances have not changed, please make sure you have returned updated student data sheets to the College. If you change address and/or contact numbers during the year, please don't forget to let us know so we can update our records.

### Lost Property

Property that is handed in is kept in the main office.

### Sick Bay

A reminder that ALL students need to come to the office if they are unwell. The office staff will contact home if necessary. Students are not to leave school without being signed out of the sick bay register.

### Appointments

Students sign out at office before leaving and when returning.
