## Outstanding Swimming Success!

We are very proud of Amie Pratt, Year 9 who has enjoyed some phenomenal success recently for swimming.

Amie is the CSC Junior Champion after breaking an amazing five school records last term. She equalled the record for the 25m Freestyle, 25m Backstroke, 25m Breaststroke, 25m Butterfly and the 3 x 25 Medley.

Since then, Amie has competed in the Southland Swimming Champs—gaining a 2nd place and two 3rd places.

Amie went on to the New Zealand Nationals during the holidays where she gained two final entries and came 4th in the 200m Backstroke, breaking the Southland record twice by 5 seconds.

Amie has just returned from Fiji where Amie competed at the Fijian National Championships. There were 18 teams competing including from Australia, NZ, Tonga and Fiji and a total of 400 swimmers. Amie won four Individual Gold medals, three Individual Silver medals and three Team Golds in the relays.

## ***From the Acting Principal***

Nga mihi nui ki a koutou katoa - warm greetings to you all.

Term 2 is now well underway and is off to a positive and productive start. We were delighted to welcome our new Deputy Principal, Mr Brendon Wallace at a special Assembly on day one of the term. Mr Wallace (left) comes to us from Menzies College with a rich and varied career including time as a beginning teacher at Central Southland College. Welcome home! We all look forward to working with him and I'm sure the school community will make him very welcome.

Immediately following the special assembly, our Kapa Haka group and two staff travelled to Riverton for a Powhiri and official 'handover' of Mr Davis as new Principal of Aparima College. Our students were magnificent and their genuine connection - whakahoahoa - with the Aparima Kapa Haka group was heartwarming. We wish Mr Davis all the best.

The gymnasium is thankfully back in action following temporary remedial work. We look forward to working constructively with the Ministry to complete permanent earthquake strengthening and we hope, improvements to this most vital school and community facility.

Term Two is always a productive academic term and also includes significant sporting and cultural events. As we write, the new event on the calendar, Arts in Motion (AIM) has over 100 of our students engaged in this new form of expressive dance competition in Invercargill. We wish them all the best.

We have made some changes to our Term Two reporting structure this year to better reflect student progress. There will be a full written report for Year 9 and 10 students after Week 6 with a written report for senior students at the end of the Term. Parent interviews will now be in Term 3, Week 3, as a follow up to reports.

Next week we welcome Mr Dick back after time away with family following the successful kidney transplant for his son, Nathanael.

Ka kite ano

***Mr Peter Turnbull  
Acting Principal***

## **FAREWELL MR DAVIS!**

It was an absolute privilege to attend the powhiri for Mr Cameron Davis at Aparima College Monday April 30th, 2018. It was with a mixture of sadness and joy that we handed over Mr Davis as Principal to his new school.

Raniera (Raa) Dallas and Linda Ransfield did an excellent job of representing "our side" during the powhiri. Linda delivered a beautiful karanga. And Raa, recently returned to Southland, had great humour in his address leaving many of us wishing we were more fluent in Te Reo Maori. Our Kapa Haka tutor Elysia alongside her sister, Jasmine, both former students of Aparima College themselves, were proud to stand behind our Kapa Haka Group while they delivered the waiata, Torona Tiketike (beautifully written by our very own students) with pride and lastly a strong haka, Tahu Potiki to finish.

Once the powhiri ended both Aparima College and CSC Kapa Haka Groups stood and sung waiata together; it was truly beautiful. Mr Turnbull, CSC Assistant Principal gave a thoughtful and caring speech before he officially handed Mr Davis to his new school.

Mr Davis was accompanied by his wife, Rachel and two children, Oliver and Ruby. It was a heart-warming experience for all with a great sense of community spirit. Aparima College were excellent hosts and Mr Davis looked comfortable in his new home.

We bade Mr Davis final farewells and returned to CSC.

## Otago Tertiary Open Day

On Monday 7th May forty-five Year 13 students attended the Otago Tertiary Open Day. Since then most have arranged a follow up Careers interview to discuss their pathway for 2019. Attending this Open Day to see what Dunedin Providers offer has helped the students make serious decisions regarding their destination next year.

## University Scholarships for Year 13 Students

MoneyHub, a consumer finance website, has published a guide to hundreds of scholarships for any student planning to start university in 2019. The comprehensive list includes scholarships offered by every university as well as those specifically available to local students. A list of privately-funded Maori, Pacific and International university scholarships completes the list. Applications close throughout the year, with tens of millions of dollars available. MoneyHub has also published a list of tips for scholarship success.

For more details and to find suitable scholarships, visit the [MoneyHub Scholarship page](#)

The page is free to use and always will be. Unlike GivMe, students can access the information at home and on their mobiles etc. We have a comprehensive number of tips for application success as well.

## Art of Learning

STAR funding has allowed us to invite Lance King to run a workshop with 35 of our Year 11 students on 14th June – he gives them practical tips on how to be successful with NCEA. The students selected to attend are those enrolled for the highest number of External exams at the end of the year. In the past the student feedback on this workshop has been overwhelmingly positive.

## Otago University Liaison

This week we had a visit from Sandra Spence, the Otago School Liaison officer. She met with interested students to talk about the transition from High School to University. Liaison officers return to the College later in the year to help the students with course planning.

## Events to look forward to:

29 May SIT Open Night  
14 June Art of Learning, Year 11 students

## FOODIE FORM CHALLENGE

At the end of last term, 11Jk challenged 11Fe to an eating competition.

It was a tough challenge with three activities including the dry weetbix challenge, the chubby bunny challenge and getting a ginger nut from your forehead to your mouth.

Eating the dry weetbix was difficult to do as they weren't allowed to wash it down, 11Jk come out on top in the end.

Chubby Bunny saw people dropping out quickly, 11Jk again come out on top with a top effort by Cassidy Hansen.

The third challenge ended quickly with 11Fe taking the win. Overall 11Jk took out the trophy, winning 2 out of the 3 challenges.

Thank you to Mrs Jenkins who supplied the food for the challenge and thank you to everyone who joined in.

Student Name: Andrei Chan (left)  
Farmer: Steph Dunphry, Wallacetown - Dairy  
Student Comment: I really enjoy being outdoors and learning more about the agricultural life on a Dairy Farm. I enjoy it by learning heaps of skills on the farm and try to do the skills that I am taught on the farm which makes it more enjoyable for me.

Student Name: James Forbes (right)  
Farmer: Ralph and Lisa Hamilton, Forest Hill - Sheep  
Student Comment: I have found my work experience working for Ralph and Lisa very fun and it is a great experience for me to learn new and more efficient ways to do tasks and learn more skills.

Student Name: Claire Perkin (left)  
Farmer: Greg Gill, Hokonui - Sheep & Beef  
Student Comment: The things I have been enjoying about work experience through Primary ITO is learning new skills and handling sheep and cattle. I have learnt how to administer animals drugs, understanding what to do when something goes wrong on the farm and being able to do different jobs each day. I think it's great doing work experience through Primary ITO on a sheep and cattle farm.

Student Name: Josh McMillan(right)  
Farmer: Fraser Agnew, Spar Bush - Dairy  
Student Comment: I find my work experience working for Fraser a great step into the workforce and a great experience.

Student Name: Ben Drummond (left)  
Farmer: Brian Hammond, Centre Bush - Sheep/Crop  
Student Comment: I real enjoy getting out and working, especially tractor work and learning new skills and different ways of doing things.

Student Name: Tyrone Duffin (right)  
Farmer: Scott Hindrup, Wairio - Dairy  
Student Comment: I really like going out on work experience because I learn best from practical experiences.

Student Name: Brayden Laughton (left)  
Farmer: Norman McLeish, Drummond - Cropping  
Student Comment: I really enjoy getting out and working in the outdoors and learning new ways of doing things and also learning new skills.

Student Name: Jacob Hammond (right)  
Farmer: Robbie Clark, Oreti - Cropping/Sheep

Student Comment: I really enjoy my work experience, it is giving me good practical skills in farming and learning how other people do things. It is giving me something to look forward to at the end of the week.

## **Mycoplasma Bovis Outbreak**

The stresses of everyday life can seem to get bigger and bigger. At the moment members of our community could be under enormous pressure with the problems associated with the Mycoplasma Bovis outbreak.

If you are seeing the signs of stress in your children, please let us know, completely confidentially. We can put systems in place to help them manage this challenging time.

Please talk to your child's Dean or form teacher, our school councillor Jenni Wood, or any of the senior leadership team at CSC.

## Shearing Course

Three of the Primary Trades Academy students chose to attend a shearing course in the holidays run at Hilltop farm in Dipton. The students were firstly shown how to crutch sheep and by the end of day three they could all shear a sheep. With a bit more experience I am sure you will see them in a crutching gang these Christmas holidays.

## Teen Ag

CSC had four teams competing in the Southland Otago Teen Ag competition held recently. They had to judge stock, drive a tractor, complete a quiz, grade velvet just to name of a few of the challenges.

We were in the first round of the day and managed to get two teams into the final round. Students were put in a quiz quick fire section where sadly we didn't manage to get into the top three teams but overall we were placed 4th, 5th and 6th. One of our teams to make the final was made up of junior students, Emily Thomson and Hannah Thorburn. Keep an eye on them in the future.

Competitors were Brayden Laughton and Jacob Hammond ( 4th) Emily Thomson and Hannah Thorburn (5th), Peter McLeish and Josh Wilson ( 6th) and Rebecca Burnett and Courtney Laughton.

*Peter McLeish & Josh Wilson*

The students were great ambassadors for the school and performed to a high level. Many thanks to all the parents and Mr Knapp for their support on the day.

### NZ BLACK FERNS RUGBY REPS VISIT CSC

The College was fortunate to have a visit this week from two current Black Ferns, Kendra Cocksedge and Victoria Subritzky-Nafatali who brought with them "Nancy" the Women's Rugby World Cup.

The medal winning duo had a 45 minute question and answer session with members of the three CSC Girls Rugby teams covering a wide range of topics including motivation to train and best and worst experiences.

They then had a game of touch with the girls. The experience was an eye opener for our students to sport at the top level and the difference between them and their male counterparts.

Let's hope we can get another visit in the future from some of our home grown rugby players!

### 1ST XV RUGBY REPORT

The Central Southland College 1st XV have started their season in strong fashion with a 55-7 victory over a plucky Te Anau side. The team looked to set the tone for the upcoming competition with coaches Blair Vining and Logan Tippett emphasising the need to play a simple, structured game.

The first half saw extended periods of CSC backed against their own line and if not for continued dogged defence it may have been a very different halftime score. Halfback Jack Keen controlled the flow well and opened the scoring with a strong dart down the blind to guide Central to a 19-7 lead at the break. The second half saw a re-invigorated side take the field; stretching the Te Anau defence from side to side. CSC then began dictating the run of play based on an extremely high work rate from the pack. This only continued as the backline began shifting the ball with confidence resulting in a number of scything moves resulting from a solid foundation from set piece. Both coaches highlighted the work done by all 22 players with standout performances upfront by Jackson Hunter, Thomas Menlove, Mason Herbert and Luke Hamilton.

Central Southland will look to build on last week's performance in their upcoming game against Menzies College at Menzies 1.15pm Saturday 12<sup>th</sup> May.

Tries by: Mason Herbert 2, Luke Holland 2, Adam Hillis, Jack Keen, Luke Hamilton, Liam English, Regan Van Brecht. Conversions: Lachie Dobson 4, Josh Milne 1.

## CSC MotoX Champions!

The CSC MX team competed at the South Island Secondary School Championships on the 7th April. This year the event was held locally at the Thunder Cross track in Mandeville. We had a fantastic turnout of both junior and senior riders, showing a great depth of motor sport in our school.

The boys competed well and came away with the Southland Teams title and were second in the South Island teams event. Jack Treloar won his class and had the fastest lap time of the day over the whole event. Connor Newell was third in his class. Check out the full results at [www.southlandschoolsport.org.nz](http://www.southlandschoolsport.org.nz).

A huge thank you to all the parents who support the riders in every way. Also thanks to Lisa Sullivan for organising the team shirts - making us the envy of many other teams - and for organising the team on the day, helping to create a great vibe in the camp.

## Road Safety Week. May 7 to 14

As a large proportion of our students travel by bus, there is a timely reminder for all those on the buses and on the road.

The school bus is one of the safest ways to travel. Tips suggested by NZMTA.

Waiting for the bus

- Wait at the nominated bus stop area.
- Keep well away from the road edge.
- Wait quietly, avoid playing games where you might end up running onto the road.

Getting on the bus

- Form a single line.
- Make sure the bus has stopped before you try to get on.
- Don't push. Be patient and let those in front of you get on without any shoving or pushing.
- Carry your backpack or school bag it may get caught in the door if you wear it.
- Let younger children on first.

Riding on the bus

- Quickly choose your seat and sit down.
- Put your bag on your lap or under your seat keep the bus aisle clear.
- Stay in your seat until the bus has stopped.
- Follow what the bus driver or bus warden tells you to do.
- If you have to stand, put your bag on the floor and hold onto a seat back or handrail.

Getting off the bus

- Get off the bus carefully, without pushing.
- After you get off the bus, wait as far away from the edge of the road as you can, until the bus has moved away.
- If you need to cross the road, wait until the bus has driven past and you can see clearly up and down the road before crossing. Always use the [kerb drill](#) to cross.
- Stand well clear of the bus if it is turning or reversing.

For those driving (NZ Road Code)

The signs below will be displayed on school buses. If a school bus has stopped you must slow down and drive at **20km/h** or less until you are well past (**no matter which direction you are coming from**) if:

- the bus displays a school bus sign on which the lights are flashing, or
- the bus displays a school bus sign (with or without flashing lights) and has stopped for the purpose of picking up or dropping off school children.

**Note:** you may also see 'Kura', the Māori word for school, on a bus.

**Visit the CSC Library to view our Road Safety Display that Tom Day, Year 13 has been creating with his teacher, Mrs Rope and/or visit the NZTA website for more information.**

## Things You Need to Know

## REMINDER IMPORTANT MEETING

**Wednesday, 16th May 2018, 7pm in College Hall**

### ENROLMENT SCHEME FOR CENTRAL SOUTHLAND COLLEGE

The Ministry of Education has requested that the Board of Trustees implement an enrolment scheme in accordance with section 11H of the Education Act 1989, to avoid overcrowding at the school.

As part of this process, we need to consult with our school community, the wider community and neighbouring schools. The Ministry is preparing a proposed zone as a basis for consultation, the Board have been involved in supplying the ministry with relevant information and current data and will continue this as part of the consultation process. When the map is available from the Ministry, it will be made available to all concerned.

The introduction of an enrolment scheme will not affect children who are currently enrolled at Central Southland College, they will continue to be enrolled at the school. ("Currently enrolled" means that the child is enrolled at and has started attending Central Southland College when the scheme becomes effective.)

For children who have not yet enrolled at Central Southland College, when the scheme comes into effect, the enrolment scheme means that:

**If they live in the zone**, they will have the right to enrol at Central Southland College.

The Board of Trustees enforces the enrolment scheme **and if students live outside the zone**, they will only be able to enrol at Central Southland College if there are places available in their year group. If more children wish to enrol than there are places available, the Education Act says that places must be offered to children in the following order of priority:

Students accepted for enrolment in a special programme run by the school and approved by the Secretary of Education (this does not apply to Central Southland College).

- Siblings of current students.
- Siblings of former students.
- Children of former students
- Children of staff and board members.
- All other students

If more children within any one of these priority groups wish to enrol than there are places available, the Board must conduct a ballot to determine who is offered a place.

We have scheduled an information meeting for Wednesday the 16<sup>th</sup> May at 7:00pm in the school hall. This meeting is for anyone from our community, both those with children currently attending and those with prospective students. We are hopeful the Ministry will have provided more information at that stage and we can explain in greater detail the process and attempt to answer any questions. We will also explain how you may go about making submissions as part of the consultation process.

We appreciate that this process will cause uncertainty for some families, and we will keep you informed as the process develops through the school newsletter and on our website. If you have any questions at this stage please contact the Principal, Grant Dick or Mr Peter Turnbull.
