As previously notified, our Senior Prizegiving for 2021 was held on Wednesday 17th November. It was unfortunate that we could not have parents on site but this important event was both live streamed and recorded to ensure that families could still be part of the celebrations. Thank you to our AV club students that ensured that everything ran smoothly.

Our congratulations go to Patrick Marron who was awarded CSC DUX for 2021 and also to Emily Thomson, our Proxime Accessit. These prestigious awards are very well deserved and an outstanding achievement for each of these students.

Finally, congratulations to all our Year 13 students as they move on from their years at CSC. We wish them all the very best for their NCEA exams and their future endeavours.

Congratulations go to our Head Students for next year. The mantle was officially handed over at our Senior Prizegiving to:

Head Boy	Max Treloar
Head Girl	Riley Nattress
Deputy Head Boy	CJ Maglaqui
Deputy Head Girl	Ella Bennie

Congratulations to Keegan Stratford who is the new student rep on the Board of Trustees. Keegan was voted in by his peers recently and holds an extremely important role in the governance of our College.

Thank you also to Riley Ballantyne who has been the student representative for the past 12 months, Riley represented her cohort and fellow students well in this capacity, always displaying integrity and always willing to offer a mature perspective on relevant matters.

All schools are currently under the spotlight across the nation due to the recent Health Order around vaccinations. I recently sent out some details in a letter, so will not repeat that information here. I do want to give our community reassurance that the extremely important business of teaching and caring for our students will not be hindered as we step through the next few weeks. As a school we are extremely fortunate to have a community that look out for each other and ensure the wheels keep turning.

Jenni Wood, our Guidance Counsellor has recently retired after ten years of contributing to the lives of so many of our students and staff. Jenni was always keen to be involved in many other areas of school life, participating and supporting many outdoor experiences, mountain biking, rock climbing, camps and a wide range of other events. We wish Jenni all the best as she heads on to new adventures.

Finally, we farewelled the Year 13 Class of 2021 from CSC for the final time. We wish them all the very best for the future.

Ngā Mihi,

National Reader's Cup Competition

On Thursday the 4th of November, our Year 9 Reader's Cup team competed in the national competition, advancing after a stunning performance in the Southland regional event. The competition was held via Zoom this year due to COVID-19, it was originally scheduled to be held in Auckland, but due to their current situation, this was not possible.

Prior to the quiz, the team read six chapter books and during the event were asked questions about them. The six books the Year 9 team had to read were: *Porangi Boy* (by Shilo Kino); *Dry* (by Neil and Jarrod Shusterman); *Hive* (by AJ Betts); *Booked* (by Kwame Alexander); *Mission Girl* (by Fleur Beale) and *Ghost Boys* (by Jewell Parker-Rhodes). The books all had a different style and theme, ranging from a verse novel (*Booked*) to a dystopian fiction story (*Hive*). The team's favourite book was *Dry* which they thoroughly enjoyed and would suggest it if you are looking for something to read.

When the Zoom competition got underway at 1.00pm, the team (Lucas Gill, Ryan O'Callaghan, Bailee Milne and Cody Laffey) made a strong start, gaining 13 points in the first two rounds and despite the different format, they finished strongly, placing 6th overall. An amazing effort!

We would like to thank Mrs Shaw, Miss Kean and Miss Murch for their support, encouragement and guidance. We can't wait for next year, when hopefully we will get to compete as Yr 10's.

“IT TAKES A VILLAGE”

This saying applies to more than raising a child. Here at CSC we are so lucky to have the support of our local community. A few months ago the Winton Rotary Club offered to join forces to help get the tree project moving along. Last Saturday - without telling anyone or asking for any help - a few of their members got in and got the new track laid out and finished. How amazing to have these people on our team! A huge thank you to Lachie MacGregor and his associates from Rotary who arrived with their tractors to get the job done.

Following the advice from a number of experts we are going to delay planting the first 1000 seedlings until autumn to give them the best chance of surviving. Please have a look at the new track and have a walk around it when you are out on the Winton Walking track. It's a fabulous step ticked off in this project.

MOTOR CROSS CHAMPS

South Island Motor Cross Country Champs

Our MX team had a great day out on Sunday 10th October at the South Island Motor Cross Country Championships at Tapanui.

The event offered a mix of senior, junior and farm bike novice riders a chance to compete with students from all around the South Island. The weather was perfect, the course a good mix of dry and swampy challenges and there was a buzzy, excited atmosphere all day.

For our newer riders, sitting in a start line with 50 plus competitors lined up was the first of many battles. MX Cross Country requires the riders to complete a set course as many times as possible in 1½ hours, so the fastest with the most laps wins. The bikes are set up with transponders which automatically record each lap. The riders have to judge their fuel usage and make pit stops to refuel both body and bike.

It's an awesome sport and we were pleased to be able to get to this event after it was postponed in September.

The riders truly appreciate the support they get from their parents, who almost had more fun than the kids on the day!

The team was: Flynn Tuffin, Tara Zwies, Caleb Mattsen, Zac Hindrup and Stefan Cook

Trapshooting Nationals

The Trapshooting Team attended the South Island part of the New Zealand Secondary Schools event in Invercargill over the recent holidays.

Due to Covid, the event was split into a South Island and a North Island competition. This was a great opportunity for our younger shooters Ian Hudson, Jack Keith and Luka Peters to experience a national event in their home region.

Junior Sports Forum—Year 10

Fourteen Year 10 students attended the Junior Sports Forum at Stadium Southland recently.

The guest speaker, Glen Thompson shared his story of winning a cycling Gold at the Commonwealth Games. Academy Southland followed with two workshops involving mental fitness and sporting insights by Southland Stags Rugby Player, Marty Banks and Tia Fowle who has recently been selected in the NZ U18 Mixed Touch team.

The day finished with team building activities run by Adventure Southland. It was a fun afternoon enjoyed by all students.
