Queenstown

10th Junior Prizegiving  
Junior Reports

13th Course  
Confirmation Day

14th Last day of Term 4

16th NCEA exams end

17th Office closed

Kia Ora Koutou

I wish to commend our students in staff for readily and willingly adapting to changes in the school year as we came back from the recent lockdown.

In particular I would like to acknowledge all those that were part of the school production. The show was on target to wow audiences this week and it is extremely unfortunate that this had to be cancelled, especially on top of a previous postponement. To the cast, crew and all those that had already started creating costumes, backdrops and props, thank you for taking the changes in your stride and displaying such a positive attitude.

Term 4 takes a slightly different shape given the extension on time for the senior exams. Essentially everything has been pushed out by two weeks due to our time in lockdown. This will allow extra time and opportunity in the classroom to ensure our students are well prepared for the external examinations. We will include important dates in this newsletter as there have been some changes for such things as Senior Prizegiving and the last day for Seniors. The final day for Juniors remains unchanged. Please also know that our school calendar can be accessed at any time through the CSC app school [website](#)

An important aspect to any school is to constantly evaluate and evolve to ensure the best possible foundation for educational success. We have recently been looking at how we operate as a school and questioning whether we can do things differently to better prepare our young people for the world they will live in. Looking for improvement is not an indication that anything needs to be fixed, but my mind set is that we should always be looking to improve. With this in mind, we have formed a team of staff who are looking into how we currently operate, in particular our curriculum delivery structure and our pastoral care. They are also looking into options of how we could improve in these areas. This is an exciting time as we look ahead to the future. We will be keeping our community up to date during this process and see community feedback as an essential resource in the planning.

Finally, thank you for working through what has been a difficult term, and I wish all our students, parents and staff a restful and safe holiday break.

Ngā Mihi,

# STUDENT NEWS

Our talented orators competed in the CSC Speech Competitions in Week 9 of this term. Lockdown disrupted the original dates and all of the students did an excellent job to prepare for this event despite the postponement. The Senior competition was held on Tuesday the 21st of September and judged by Diane Andrews and Julie Hayward, who had the very difficult task of deciding the winners from an exceptional group of participants in each year level.

The Junior competition on Friday the 24th of September was equally as competitive and judged by Mr Wallace and Diane Andrews. Congratulations to the students who shared their speeches - they were all very well-organised, intelligent and interesting presentations. Many thanks to the judges, the Deans for being excellent MCs and the organisers who gave up their time to be involved in the competition

## Year 9 Award winners

- 1st - Sophia Watson
- 2nd - Gloria Salter
- 3rd - Keely Anderson-Kereti

## Year 10 Award winners

- 1st - Shayla Payne
- 2nd - Ianni Opaco
- 3rd - Cormac Marron

## Year 11 Award Winners

- 1st - Libby Jespersen
- 2nd - Savana Flawn
- 3rd - Ruby Anderson

## Year 12 Award Winners

- 1st - Kaylee Anderson
- 2nd - Charlotte White
- 3rd - Briar Irwin

## Year 13 Award Winner

- 1st - Suri Kidd

## Thanks to CSC Home & School

The Audio Visual club would like to give our most humble thanks to the CSC Home and School Association for helping fund our new film and sound equipment which will support our students to pursue learning opportunities in new areas of interest.

As part of the Wednesday's activity period, they will be learning how to use the equipment to produce content to share with our community. Thank you for your support!

## Being a Holiday **HERE-O** Our tips on being a **HERE-O** in the holidays!

- Honesty** Be honest with yourself if you need to do schoolwork during the holidays. Don't make excuses for not doing chores, do them now.
- Effort** Catch up on your school work. Prepare for your end of year exams. Sort out a study plan for next term. Make tea for your family.
- Responsibility** Arrive on time. Make sure your school clothes are ready to go for the first day of school. Charge your laptop before next term.
- Empathy** Thank your family when they do things for you. Check in with your friends, ask them if they are ok. Say "I can do that for you" to help someone out.

*Rebekah, Estelle, Naomi and Bryce*

# Empathy is...

seeing with the eyes of another,  
listening with the ears of another,  
and feeling with the heart of another.

## **Career Workshops**

The Year 9 and 10 Career Workshops run over the last two weeks were a huge success, with lots of positive feedback from students. With subject selection for next year looming, hopefully the students feel more confident in making these decisions.

## **Subject Selection Guide for 2022**

Help is available on CareersNZ website

*Choosing school subjects: a step-by-step guide. This guide will help you decide which subjects to take in your next school year.*

### **Step 1: Work out what subjects you enjoy**

- Which subjects do I like doing now?
- Which subjects am I interested in doing next year that I haven't already studied?
- What do I like doing outside school eg, playing music, helping people, thinking creatively? Which subjects include these activities?

### **Step 2: Work out what subjects you are good at**

Which subjects am I strongest in? What subjects do others say I am good at?

### **Step 3: Find out what subjects you need for your career ideas**

Already have some career ideas? Explore the Jobs database on the Careers New Zealand website to find out what subjects you need for your career ideas.

## **Looking for career ideas?**

Use the interactive tools on the Careers New Zealand website to help you get some career ideas:

**Subject Matcher** – job ideas based on subjects you enjoy

**Jobs by Interest** – jobs that relate to areas of work you are interested in

**CareerQuest** – job ideas based on your interests

**Skill Matcher** – *job ideas based on your skills*

## **Still unsure about what career would suit you?**

It's OK if you don't know what you want to do in the future. Studying a broad range of subjects will keep your career options open. Keeping up with English, maths and at least one science subject is a good place to start.

## **Year 13 University Enrolment 2022**

With closing dates looming, students wanting to head off to University next year are busy collating information for their applications. Any one needing help/advice with this, Careers staff are happy to help.

## **Work Ready Programme**

STAR funding enabled some of our Year 12 and 13 students to complete a Security Course and a Health and Safety Course here at school. These courses help students gain useful credits before entering the workplace.

## **Gateway Applications for 2022**

Gateway is a chance for students to gain experience in the workplace to have an insight into a career they may be interested in. Students gain Level 2 Unit Standard credits for this. For Year 12 students, Gateway is taken as a subject. For Year 13 students, Gateway may be taken instead of a study period.

Gateway information was given to seniors during Long Form Time on Tuesday 21 September. Applications close on 1 October. These applications will be considered and students will be notified early in Term 4. All Gateway students are required to attend a First Aid Course that will be held in late January, prior to the commencement of the 2022 school year.

## **Dates for the Calendar:**

2-3 December      Year 10 SIT Taster Days

# PRIMARY ITO TRADES ACADEMY

## Primary ITO 2022 Applications

On Friday 10th September, 16 applicants were interviewed for 10 places in the 2022 ITO Program. All students conducted themselves well and we were impressed with the calibre of applicants, which made the job of selecting only 10 very difficult.

Congratulations to Khali Booth, Caleb Ashmore, Aniska De Klerk, Kain Thomas, Cruze Wech, Caleb Mattsen, Jack Montgomerie, Matthew Menlove, Charlie Diack and Oliver McCallum for their selection.

## Cooking a Healthy Breakfast

The Year 11 students have been working on a Food and Nutrition unit and put what they learned into practice when they cooked a healthy breakfast to sustain them for a day's work on the farm. They came up with the ingredients list and then did a great job of cooking and cleaning up their delicious breakfast which was enjoyed by all involved.

## Primary ITO Training Officer

On 23rd September, Bonnie & Maegan from the Primary ITO came to school to talk to students about training opportunities available to them after they leave school. The Primary ITO offer a wide range of courses, from Certificates to Diplomas in all Primary Industries. It is easy to sign up and often the employer pays for the fees.

## Year 12 Students

The Year 12's are continuing their work placements one day a week. We have had three students exit the program recently, after gaining employment on farms. We wish them well for their future endeavours.

# SPORTS NEWS

## A Big Thank You ....

Thank you to our local Caltex owners from Winton Motor Centre, Steven and Melissa McDowall for their generous donation towards sport at CSC.

Caltex along with NZ Sport Collective have created a new initiative to aid local school communities in encouraging students to play sport.

We appreciate this kind gesture from Steve and Melissa and for their support of our students at CSC.

### Helping fuel school sports

We reckon every kid deserves to play their part in school sports. So, we're proud to play our part in helping them get there.

## Trapshooting Report

Congratulations to our two trapshooters (pictured left) who competed at the Central Otago competitions over the weekend.

Courtney Laughton, Year 13 won the ladies skeet and was selected in the Southland team to shoot against Otago.

Eddie Smalley, Year 11 won the junior single rise and was placed 2nd in the junior points score.

## Basketball

Fifteen teams competed in the Southland Secondary Schools Basketball competition over the past two terms. Our senior teams competed strongly with the senior A teams being competitive in their grade, showing some great skills and having some well deserved wins.

Highlights from the season came from our junior grades with both the Junior A Girls and the Year 9 Girls winning their competitions. The Year 10 Boys also had a strong season, finishing runners up.

Congratulations to Blake Howes Kollat for winning the Most Improved Junior Boy award at the end of the season prize giving. Also congratulations to Riley Ballantyne who for the second year in a row was selected from all A grade players to be named in the All Star 5 Girls team.

A huge thank you to our student coaches who at times had to juggle their own games with coaching their junior team, sometimes in different spaces due to the unavailability of the Stadium. Thank you also to Diane Newton and Sue Ballantyne who looked after our Senior A teams.

A massive thank you to our sideline supporters, a special mention to the parents who stepped in and supported our student coaches with the sideline duties - it was really appreciated.

*Andrea Beggs  
Sports Coordinator*

Year 9 Girls

## Southland Secondary Schools One Day Event

On Sunday 19th of September, CSC took a team to the Griffin Equestrian Centre at Oreti Beach for the Southland Secondary Schools One-Day Event. Sarah Beck, Briar Irwin, and Hannah Price all had a great day representing our school and even came home with a 3rd place ribbon.

Thank you so much to all the parents, teachers, and helpers involved to help the team on the day and transport us there. We had so much fun.

*By Hannah Price*

## Anyone for Tennis?

Keen for a game of tennis on Saturday?

Central Southland Tennis would like to hear from any secondary school students that are keen to play a couple of hours matchplay tennis on a Saturday in Winton.

All levels and playing abilities are welcome. Please email your interest to:

[centralsouthlandtennis@gmail.com](mailto:centralsouthlandtennis@gmail.com)

# CSC RUGBY ROUNDUP

This season saw the introduction of Saturday competition rugby under the school umbrella for our U14 and U15 Boys - this proved to be a huge success with great numbers wanting to wear the school jersey.

The U14's had a solid season and showed some great skills, having their best game against the top of the table team SBHS Blue. Reaching the semi-final was a highlight of their season.

The U15 team had a mixed season, lots of skill on show with many close games, however due to Covid lockdown they did not get to play their Plate final.

Our 2nd XV who played in the Southland-wide U17 competition had a perfect start to the season, finishing top of the round robin but unfortunately fell short when playing the top 4 games.

Similarly, the 1st XV team started strongly, going into the top 4 unbeaten but also fell short when they played their final games.

Thank you to the coaching staff of all the teams, your time and commitment to our boys was greatly appreciated. We would also like to thank our contributing clubs, Midlands and DLS for their ongoing support of teenage rugby at CSC.

Lastly, a huge thank you to our loyal supporters - your ongoing support was greatly appreciated. We look forward to seeing you all on the sidelines again next season.

Congratulations to the boys who have been selected to represent Southland this season: Josh Gill, Fergus Watson, Max Treloar, Kieran Hoyle, Jahn Stodart, Flynn Tuffin, Bryce King, McKenzie Hunter and Eli Standish - all the best for your upcoming games.

The season would not have run as smoothly as it did without our wonderful sponsors, we thank you for investing in CSC Rugby.
